Centralia is a great place to live, play, work and learn. We have great schools, parks, and a great selection of merchants to meet most all your needs. You can buy gifts, appliances, clothing, boots, cars, tires, groceries just to name a few. You can eat BBQ, Pizza, burgers, subs, downhome country cooking, Mexican, Chinese and fast food right here in Centralia. This Shoppers Guide is designed to help you find the resources you're looking for right here in your community.

Shopping local is important to our local economy. Sales tax dollars provide for the city roads, public safety and the park amenities we enjoy. Did you know that for every \$100 spent at a local small business \$68 stays in the local economy. For every \$100 dollars you spend \$.50 goes to roads, \$.50 goes to parks and \$.50 goes to public safety. Shopping local provides you with service beyond what the big city can provide. It is great to walk into a business and have employees know you by name and sometimes even know what you need before you have to ask, because they are your friends and neighbors.

Local merchants support our local organizations and our kids. They are members of boards and local service groups giving of their time and donations to help. So next time you are making a purchase use this directory to find what you need and Purchase with a Purpose and Shop Local!
